Research Interests		

A. Personal Information

First Name: Seyed Abdolvahab

Last Name: Taghavi

Date of Birth: 1982

Marital Status: Married

E-mail: vahab.taghavi@gmail.com

B. Education

Degree	Field	Institution	City	Country	Date
PhD	Reproductive Biology	Iran University of Medical Sciences	Tehran	Ira n	2009-2013
M.Sc.	Anatomica l Sciences	Tarbiat Modares University	Tehran	Ira n	2007-2009
B.Sc.	Nurssing	Shiraz University of Medical Sciences	Shiraz	Ira n	2002-2006

C. Academic Appointments

<u>Year</u>	<u>Academic Rank</u>	<u>Institution</u>
2013	Faculty of paramedical	Hormozgan UniV. Med. Sci.
2018	Faculty of medicine	Yasuj UniV. Med. Sci.

D. Trainings Passed

D.I. Courses

1. 2014-2015, six months. " Research Fellowship". Hormozgan University of Medical Sciences, Bandar Abbas, Iran.

2. 2014: " Systematic reviw and meta analysis" Hormozgan University of medical sciences,bandar abbas.Iran.

3. Scientific writing in English language: 2009

D.II. Workshops

1. 2008 1day "Embryo Vitrification", Royan innstitute,Tehran Iran.

2. 2012 1day "Embryo Implantation", Royan innstitute,Tehran Iran.

3. 2013 7day: "Medicl education" Tehran University of medical sciences,Tehran.Iran.

4. 2014: "Medicl education" Hormozgan University of medical sciences,bandar abbas.Iran

E.II. Books

1. Acupuncture in Pregnancy & Childbirth (translated), 1st ed. 2009, Khosravi Publisher. Tehran, Iran.
2. Pre-hospital emergency of midwifery (translated), 1st ed. 2009. Khosravi Publisher. Tehran, Iran.

F. Experience

F.I. Teaching

- a) "Anatomy" to students of midwifery.
- b) "Embryology" to students of midwifery
- c) "Reproductive Anatomy & physiology and embryology" to students of medicine

F.II. Clinical / Practical:

- d) "Clinical embryologist in infertility clinic, Yasuj University of medical sciences.

G. Research Projects

- 1. Effect of Polycystic ovarian syndrome on health related of quality of life: systematic review. Shahrod University of medical sciences. ID: 9131.**
- 2. Comparison the prevalence of irritable bowel syndrome in people with and without polycystic ovarian syndrome. Hormozgan University of Medical Sciences.**
- 3. Evaluation of acupressure effect on quality of life in girls with premenstrual syndrome. Hormozgan University of Medical Sciences.**
- 4. Comparison the prevalence of pelvic floor muscle dysfunction in pepole with and without polycystic ovarian syndrome. Hormozgan University of Medical Sciences.**
- 5. Evaluation of sexual and marital satisfaction in infertile women with polycystic ovarian syndrome and their husbands. Hormozgan University of Medical Sciences.**
- 6. Relationship between nutrient intake with physical and psychological consequences of pregnancy of Bandar Abbas. Hormozgan University of Medical Sciences.**

7. Evaluation the sleep quality in polycystic ovarian syndrome. Hormozgan University of Medical Sciences.
8. Evaluation of prevalence and risk factors of RDS in admitted neonats in Bandarabbas shariatee and child hospital during 2015–2010. Hormozgan University of Medical Sciences.
9. Comparison of acupressure effect in LIV3 and LI4 and placebo points on quality of life in primary dysmenorrhea. Hormozgan University of Medical Sciences.

H. Presentations

H.I. International:

1. Bazarganipour F, Lamyian M, Taghavi A. Using acupressure points on managing adverse events related to anticancer therapies in patients with breast cancer. 5th international breast cancer congress. 27-29 February 2010, Tehran, Iran. (Poster presentation).
2. Taghavi A, Rezazadeh voloogerdi M, Ebrahimi B, Foroozandeh moghadam M, Bazarganipour F. Mouse preantral follicle vitrification versus slow freezing: morphological and molecular biological evaluation. 16th international congress of

Iranian society for reproductive medicine.3-5 March 2010,shiraz,iran.Index by Iranian journal of reproductive medicine(ISI). (Poster presentation).

3. Bazarganipour F,Lamyian M,Heshmat R,Taghavi A,Asghari Jaafarabadi M,The effect acupressure on liv3 point on quality of life in girl with primary dysmenorrhea in Tehran Tarbiat Moallem center in 2008. 16th international congress of Iranian society for reproductive medicine.3-5 March 2010, Shiraz, Iran. Index by Iranian journal of reproductive medicine (ISI). (Poster presentation).
4. Bazarganipour F,Lamyian M, Taghavi A. Sadati hani M.Evaluation of women's condition related to their empowering in development. The First International Congress on Midwifery and Reproductive Health 24th-26th May 2011, Mashhad - Iran. (Poster presentation).
5. R. Aflatoonian, E. Amirchaghmaghi, A. Taghavi, F. Shapouri, S. Saeidi, A. Janan, M. Lakpour, M. Saddighi Gilani, A. Pacey, W. Aboussahoud, A. Fazeli. Toll Like receptors (TLRs) in Reproduction, 4th Yazd International Congress and Student Award in Reproductive Medicine, Spring 2011.
6. . Seyed Abdolvahab Taghavi, Mahnaz Ashrafi, Leili karimian, Mehdi Mehdizadeh, Mohammad Taghi Joghataie & Reza Aflatoonian. The comparison of TLR2 expression in follicular cells between infertile PCOS and normal women. 3th International and 18th National Congress of Iranian Society for Reproductive Medicine.

7. Seyed Abdolvahab Taghavi, Mahnaz Ashrafi, Leili karimian, Mehdi Mehdizadeh, Mohammad Taghi Joghataie & Reza Aflatoonian. TLRs expression in follicular cells of infertile PCOS. Poster Presentation in 28th Annual Meeting of ESHRE - Istanbul 2012.
8. Seyed Abdolvahab Taghavi, Mahnaz Ashrafi, Leili karimian, Mehdi Mehdizadeh, Mohammad Taghi Joghataie & Reza Aflatoonian. *TLRs expression in follicular cells of poor ovarian responder*" has been accepted as a Poster Presentation for the Joint International Congress of the ASRI & the ESRI 2012 in Hamburg.
9. S.A.Taghavi, M.Ashrafi, L.Karimiyan, M.Mehdizadeh, M.Joghataei, R.Aflatoonian. Cell membrane toll like receptors expression in follicular cells of women with endometriosis. Oral presentation. 13th Congress on Reproductive Biomedicine, September 2012.
10. Aflatoonian R., Taghavi S., Karimian L., Ashrafi M. The expression of tlrs in follicular cells of poor ovarian responder. Oral presentation. 13th Congress on Reproductive Biomedicine, September 2012.
11. Seyed Abdolvahab Taghavi, Mahnaz Ashrafi, Leili karimian, Mehdi Mehdizadeh, Mohammad Taghi Joghataie & Reza Aflatoonian. TLRs expression in follicular cell of infertile PCOS. Oral presentation. 5th Yazd international congress and student award in reproductive medicine. 19-21 April 2013.

H.II. national:

12. Taghavi V, Bazarganipour F. Marijuana and its effect on male fertility. 4th congress of addiction biology. May 2010. Tehran. Iran. (Poster presentation).

13. **Fatemeh Bazarganipour, Seyed Abdolvahab Taghavi. Impact of maternal nutrition counseling during pregnancy on decrease of polycystic ovarian syndrome. Education and Counseling in Reproductive Health conference. November 2015. Mashahd. Iran. (Poster presentation).**

14. **Seyed Abdolvahab Taghavi, Fatemeh Bazarganipour, Need to counseling about menstrual health among adolescent girls. . Education and Counseling in Reproductive Health conference. November 2015. Mashahd. Iran. (Poster presentation).**

I. Students Supervised / Advising

1. **Advisor of residency thesis. Effect of granulocyte colony stimulating factor in infertile woman with unexplained infertility. Yasuj University of medical sciences.**
2. **Advisor of residency thesis. The Evaluation of correlation between serum and dietary intake of zinc level and vitamin D with ovarian reserve in Women with infertility.**
3. **Advisor of residency thesis. Relationship between idiopathic polyhydramnios and incidence of maternal-neonatal complication in gestational age of 34 weeks or more.**
4. **Advisor of residency thesis. evaluation the effects of administration of vitamin D administration on serum anti mullerian hormon level in infertile patient 18 to 42 years old that referring to Yasuj shahid mofatteh clinic.**

5. Advisor of residency thesis. Evaluation of oral probiotic effect on pregnancy outcomes in pregnant mothers undergoing cerclage compared with placebo.
6. Advisor of residency thesis. evaluation of the effect of probiotic in high risk preterm delivery on pregnancy outcome compared with placebo
7. Advisor of GP thesis. The effect of acupuncture on sexual function of women taking antidepressants compared with placebo. Yasuj University of medical sciences.

J. Scientific-Executive Records

- a) Member of Research committee of Paramedical college of HUMS, 2014-2017
- b) The member of fertility and infertility research center of HUMS 2013-2017.

c) Reviewer:

1. Reviewer of 21th Royan international congress. 2020. Tehran. Iran
2. JARG Journal (ISI)

K. Honors, Awards and Inventions

1. Best student in PhD.

L. Professional Memberships

1. Iranian society for reproductive medicine (ISRM)
2. Iranian society for embryology and reproductive biology (ISERB)

M. Research Interests

Reproductive Biology
